On-demand content

Attendees at our 2021 conference will be able to enjoy a variety of on-demand content to supplement their learning. Covering a large range of topics and skills, these materials are designed to optimise and expand learning experiences.

Please see below for the list of on-demand sessions.

Professional Development and Wellbeing

- Forgetting Fear: taking calculated risks to follow your ambitions
- The Power of 'No': retaining your boundaries in the face of multiple demands
- Recognising burnout: what to do when you've pushed yourself too hard
- Balancing Act: being a working parent during COVID-19
- What about Working Dads? The unique challenges of modern fatherhood
- Performance Appraisals: making your appraisal work for you

Relationships for Success

- Relationships for success: engaging with others to optimise your career
- How to build a successful mentor relationship
- Effective Networking

Communicating with Impact | Sessions include:

- Maximising your impact in online communications
- Thinking on the spot: responding with coherence under pressure
- An introduction to Public Speaking
- Mastering Negotiation: learning to 'let others have your way'
- Top Tips for Acing the Interview

Developing your Leadership Potential

- Management and Leadership Essentials: recognising and mastering each skillset

- The Art of Persuasion: influencing others and building consensus
- The Power of Integrity in Leadership
- Leadership Mindset

Management in the post Covid-19 era

- Leading hybrid teams: creating cohesion despite disparate working circumstances
- How to manage remote teams to support wellbeing and deliver outstanding results
- Managing the return to the office: a toolkit for practical, strategic and emotional support
